
JUDGE WILLIAMS
For Congressman At Large

Judge W. Erskine Williams, Fort Worth lawyer and churchman, was a visitor here Saturday in the interest of his candidacy for Congressman-at-Large. Judge Williams, accompanied by his daughter, Miss Lillian Williams of New Haven, Connecticut, who came to Texas to assist her father in his campaign, is making a tour of South and Southwest Texas, and will not return to Fort Worth for two weeks.

Good friends of Judge Williams introduced him to the business and professional men here and assisted in organizing an "Erskine Williams for Congress" Club. Mr. Roy Baskin was chosen as its chairman and with the more than 140 similar clubs already formed in other Texas towns and cities will aid the campaign.

Judge Williams has made an intensive campaign, having visited all parts of Texas. He has made many public speeches, has organized his clubs, and, best of all, he has brought everywhere a spirit of good cheer. Judge Williams' campaign has had nothing of bitterness against individuals or conditions but instead thereof has brought the splendid doctrine of confidence and faith. He had told the people everywhere to have faith in their country, faith in God and in each other. He has declared that a country founded by George Washington and Thomas Jefferson upon the eternal principles of liberty and justice cannot fail and has insisted that we can and will come out of the "Slough of Despond" caused by the depression, into a better and more prosperous life as communities and as a nation.

Judge Williams, who was the first candidate to file for Place No. 1, is a long-time resident of Fort Worth, having been a lawyer there for more than 30 years and is now, for the second time, Vice-President for Texas of the American Bar Association. He also has just completed a year's term as President of the Fort Worth and Tarrant County Bar Association, and last fall delivered a series of lectures at Southern Methodist University on the United States Constitution.

Begin Taking Cardui Today If You Suffer Like This Lady Did

"WHEN I was a girl, I began taking Cardui," writes Mrs. Maggie Stanfield, of Crandall, Ga. "I was very irregular for twelve months. Nothing did me very much good until my mother began to give me this medicine. Then I got all right, stout and well.

"After I was married, I was in bad health. I began taking Cardui again. I was troubled with my back a lot. Was awfully restless. I could not sleep well. I just weighed 90 pounds when I began taking Cardui. I improved rapidly. Before long I weighed 126 pounds. I felt fine. I was able to do a good day's work."

Cardui is sold by druggists here.

A bad bargain—so why not call for our Thrift-T-service? Everything will be carefully washed, thoroughly rinsed, and the flat-work neatly ironed and folded. And you stop working for Mr. Washtub—one employer who never pays his "help."

July Last Month To Make Transfer Of School Pupils

June and July are the months when the matter of transfers must be attended to. Parents who wish to have their children attend school anywhere except in the district of their residence, must attend to this important matter before August 1.

This rule applies to all children who attend outside of their home district whether the child is in the high school grades or in the elementary grades. The children living in the grouped high school districts of Milano, Sharpe and San Gabriel will not have to transfer unless they wish to attend school outside the district with which they have been grouped by the County Board.

For example a child living in Sandy Creek will not have to transfer to Mikano because he lives in the Milano high school unit. In the same way, a child living in the Duncan district will not have to transfer to Sharpe because he lives in the Sharpe high school unit. But a child who lives in Duncan who wishes to attend school in Rockdale, Cameron or Thorndale will have to transfer for that school is outside his high school unit.

PARENT-TEACHERS IN MEETING AT MILANO

The recently erected assembly hall of Milano school made a delightful meeting place for the County Council of Parent-Teacher Associations on last Saturday. The large registrations showed representation from the majority of Parent-Teacher units over the county.

The morning session opened with the president, Mrs. L. T. Hughes of Milano in the chair. After the invocation there was an enjoyable period of community singing with Mrs Butts of Thorndale at the piano and Miss May Beth Hughes leading the singing. During the day orchestral music was furnished by a talented quartette of visitors from Ft. Worth. Rev. Carl Gillis, a sister and two brothers. Their selections were greatly enjoyed.

Miss Lillian Holdiness and Miss May Beth Hughes gave excellent readings and Miss Hughes a vocal solo. Duing the business session the president announced appointments of chairmen of Standing Committees as follows:

Education, Miss McKimm Massey, Friendship.

Publicity, Mrs. Leona G. White, Cameron.

Recreation, Miss Taylor, Milano.

Health, Mrs. J. P. Lo[illegible], Cameron.

Extension, presidents of P. T. A. units with president of county council.

Minerva Parent-Teacher Association extended an invitation for the next meeting of the Council to occur in September. The invitation was accepted.

Short reports from Parent-Teacher units were given and talks by Miss Lesser Newton, Miss Massey, Mrs. K. Robbins, Mrs. W. H. Taylor and Mrs. E. P. Survant. Their topics were "A Short History of P. T. A.," "The Educational Value of P. T. A.," "Committees, their Duties and Publications."

Mr. P. P. Grimes, Superintendent of Milano school gave a cordial welcome address. Posters were distributed advertising the health program soon to be given in Milam county by East Texas Chamber of Commerce. How Cardui Helps Women

"Mal-nutrition" means that your body is not getting enough to keep it up, so that what it has to do is not done well. You may not be eating enough to keep up the work of the body, or there may be something wrong that keeps you from getting full value from the food you eat.

Because of mal-nutrition, some women have aches and pains every month. Such pains should not be neglected.

Take Cardui to give you a better appetite, to give you more strength from the food you eat — to build up and increase your feeling of well-being. Aches and pains go away as you build up with the help of Cardui.

"Be it said to the credit of Commissioner Neff, however," said Mr. Satterwhite, "he protested this contract and refused to approve it." Satterwhite stated "as a further evidence of the fact that this contract has been lived up to, the records in the Comptroller's Department show that Hawley, Freese and Nichols have received their money in accordance with the contract."

"At the time that contract was made," continued the speaker, "the necessary extra help could have been secured by employing competent men at a rate of two hundred to two hundred and fifty dollars per month."

"Had this wage scale been executed and agreed to on the part of State officials during the World War," said Mr. Satterwhite, "the tax payers might not have thought so much about it but having executed it this last December, when thousands and thousands of home owners in Texas were having to let their homes go on the delinquent tax list because of failure to earn sufficient funds to pay these taxes, it is time that the people speak out at the ballot box and refuse to elect any official who so extravagantly spends the public funds entrusted to his care."

Thanks returned by Rev. W. W. Conerly, pastor of the Methodist church.

Eats of sandwiches, cookies, punch and ice cream were served.

We wish to thank every one that had any part in the success of the party, the Scouts, parents, sponsoring organization, Troop committeemen and everyone that so willingly assisted.

Troop 53 J. W. Haygood, Scoutmaster

On Tuesday night, July 12, we went on an all night camp. After an enjoyable swim at the old swimming hole, we cooked and ate our lunch. Our camp site was such that games could not be played, so we made down our beds and finally got to sleep about midnight. Our Scoutmaster had us up at 5 a. m. for that short swim which really puts new life into a real Scout, then breakfast and home.

Scout James Brogdon lost a black bathing suit. If anyone should find it, please return it to S. E. Brogdon's office.

Troop 52, Joe Lindle, Scoutmaster

Troop 52 met Friday night with 12 Scouts and Scoutmaster, present. The meeting was opened with the Troop's favorite song "52." The annual July 4th overnight hike was discussed and after much planning, the Scouts decided to go to Elm Creek. All the Scouts were pepped up over the ball game to be played with Troop 32 the next day, and everyone was determined to win. The meeting was closed with the Pledge of Allegiance to the Flag.

Troop 52 showed again that they could hit the ball and play ball by beating Troop 32 to the tune of 7 to 4. Jackson pitched and Greenless caught for Troop 32 and for Troop 52, Ermis pitched with E. Michalka on the receiving end. The game was at its best when Troop 32 got ahead by running in their first and last four runs of the game. But Ted Matula finally stopped the rally. Troop 52 came back in their half and hit the ball good and hard to put over three runs which was enough to win. Troop 52 scored again in the sixth and was in position to score again in the 7th but a fast double play by Troop 32 retired the side.

Jackson led Troop 32 in hitting, getting two hits out of four and also pitched mighty good ball. Ermis and E. Michalka each hit safe three out of four times and Matula two out of four.

Troop 52 has to play Troop 53 two more games and that will end the series of games between the Troops.

Scouts George Matocha, Wilbur Sutter, Paul Michalka, Rudolf Michalka, Ted Matula, Albert Moraw, Willie Moraw, August Moraw and Ernest Michalka went to Elm Creek about 4:30 Sunday afternoon for an overnight hike. After fixing up the camp, all went swimming and canoeing. After supper everybody told stories. Ted Matula was the best story teller with his horrible ghost stories. About 10:30 the Scouts rolled in. After breakfast with the camp clean, all went swimming and canoeing. After eating an early dinner everyone packed up, cleaned up the camp and pulled out for home to help celebrate the Fourth.

For "SECOND SUMMER" troubles

During the second summer baby is usually learning to eat new, strange foods and is cutting teeth—a bad combination.

At this trying time, one thing is essential. Keep his bowels working regularly and promptly, carrying off their daily load of waste without fail.

For this there's nothing like Castoria, made specially for babies and children. Castoria is a pure vegetable preparation which contains no harsh drugs, no narcotics of any kind.

It is so gentle in action you can safely give it to a young baby for colic. Yet in larger doses it is an effective regulator for older children. You never have to coax them to take Castoria. They like it.

You know how suddenly second summer ailments develop. Be prepared with Castoria. Genuine Castoria always has the name, Chas. H. Fletcher, on the package. It now comes in two sizes. The new family size contains about 2½ times the amount in the regular size.

COUNTY AGENT ADVISES ON MAKING TOMATO JUICE

Choice tomatoes at the proper stage of maturity should be used for making tomato juice. These should be made into juice immediately after gathering. Sort carefully to remove fruit improperly matured; wash thoroughly to remove dust, mold, and decayed material; trim and core to remove green and bitter portions of the tomato.

Two methods may be used in extracting juice: preheating tomatoes before extracting and extracting juice from cold tomatoes. A more complete extraction is made by first method and a better color but too high a temperature (140 degrees or more) will result in a juice of inferior flavor, poor color and juice will separate more easily.

Juice extracted from cold tomatoes will have fresh flavor, good color and little separation. After juice has been extracted heat it to about 180 degrees Fahrenheit, fill into small containers and seal at once. Process No. 1 and 2 cans 8 to 10 minutes at boiling temperature. Pints and half pints same process. One half teaspoon salt may be added to No. 2 size can.

ARMSTRONG QUITS RACE FOR GOVERNOR

I withdraw as a candidate for the Democratic nomination for the office of Governor of Texas for the following reasons:

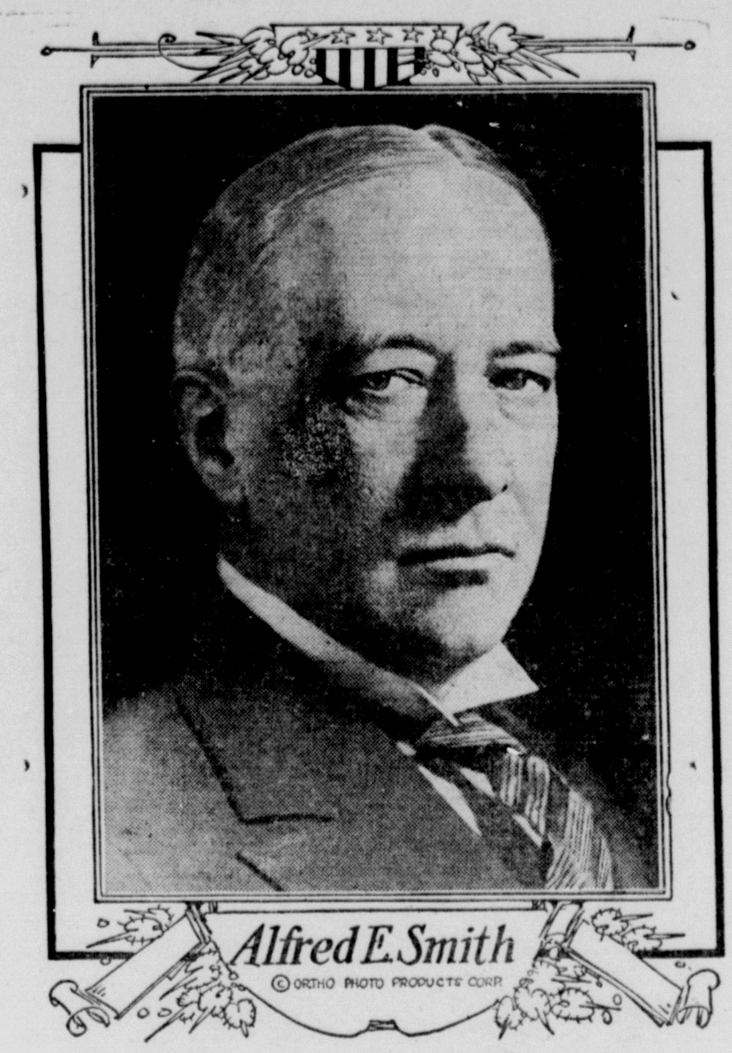
1. I am not a Democrat if the Chicago platform defines and represents modern democracy. In the face of the worst depression in history, brought upon the country by the contraction of currency by the Federal Reserve authorities, it proposes no relief. It stands for a sound dollar and not more dollars; for free trade; against the restoration of silver; against the Patman bill; against the 18th Amendment; and for the rule of this country by Wall Street and the Federal Reserve System. It represents the democracy of Morgan & Co., Kuhn Lob & Co., and John J. Raskob, and not my kind of democracy. Everything it is for, I am against, and everything I am for, it is against.

2. I entered this race primarily to establish a State Currency system that would free us from the control of the arbitrary and infamous Federal Reserve System. I have spoken in about 150 counties, making an average of more than four speeches a day during the past six weeks, but I have only been able to touch the State in high spots and to speak to a small per cent of the people. They are deeply interested in my platform and I need more time to present it to them.

3. There is need for the organization of an independent democratic party that will truly represent the interests of the masses of the people. Somebody must start the movement at some time. Fully realizing the difficulties, and my own limitations, I have concluded to undertake the task. I therefore withdraw from the contest for the democratic nomination for Governor and announce that I will run as an independent against the nominee.

GEO. W. ARMSTRONG.

IS LOYAL TO PARTY



In a statement given to New York newspaper men Wednesday Alfred E. Smith, former governor of New York and the nominee of the party in 1928 for the presidency, said he would support the nominees of the party and suport the party in the November election. Governor Smith was a candidate before the Chicago convention and was largely instrumental in writing the platform of the convention. While doubt may have existed in some quarters whether the former New York governor would remain loyal to the party and its nomnees, those who know the quality of Al Smith had no misgivings. His announcement solidifies the Democratic party in the East and gives the Democrats harmony and a solid front in November.

SHARPE

By SANDERS AND BROWN

The past few showers have caused quite an insect damage the past few weeks, however, it is believed that if we get a good rain soon crops will look more promising.

We are very sorry to report that Floyd Hargrove has been ill for the past few days.

BIG PICNIC

A large crowd attended the picnic here Thursday and it is believed that everyone enjoyed themselves.

Cats 3, Knights 1

The picnic was started off right at four o'clock as the brilliant Sharpe Cats "bulldogged" the Cameron K. of C. nine out of a 3 to 1 victory. Mc Donald and Walker handled the "heavy stick" for the Cats in the seventh while Rosenberg turned in sensational infield plays throughout the game. Anderson and McDonald hurled for the Cats.

Candidate Speaking

Twenty-six candidates were present at the picnic and announced before a large crowd of people. C. V. Terrall candidate for State Railroad Commissioner, was the principal speaker of the evening. Lee Satterwhite, candidate for Railroad Commissioner, was also present, however, did not announce.

Mrs. Will Spiegel who is in Cameron hospital suffering of internal hemmorhages, we are very sorry to state, is not improving.

A family reunion was held at the home of Mr. and Mrs. J. M. Sanders Sunday. Mr. and Mrs. Sanders have seven children all of them were present Sunday. Hobart Sanders, from Fairfax, Alabama, was honor guest.

Besides the family who were all present Mrs. Will Vaughn and children of Cameron and Judge and Mrs. J. W. Bown and children of Sharpe were present.

A. W. Von Rosenberg has been busy the past few weeks threshing oats for this community and others. He has the only machine of this type around here and is quite successful.

The Sharpe Cats were defeated by a narrow margin of 2 to 1 Sunday by the Davilla squad at the Davilla park. Errors made by several of the runners and outfielders were said to have caused the defeat. Anderson and Rosenberg were batteries for the Sharpe nine.

FIREME NLOSE TO FARMERS

Sunday afternoon the Westphalia Farmers defeated the Cameron Firemen for the second time this season when they won five to three. The Firemen took the lead in the second inning when they scored two runs on four hits. They made their third and last tally in the fifth on two hits and an error. The Farmers marked up a tally in the fourth and duplicated the feat in the next inning on one hit and an error. Going into the last half of the eighth the Firemen were lading three to two. L. Bennett, first man up for the Farmers, got a two bagger. J. Bennett flew out to right field. Bernsen was out pitcher to first base, L. Bennett taking third base on the play. E. Mees was walked and took second when no play was made on his advance. Hoelscher then singled to left center scoring Bennett and Mees. Hoelsher stole second. W. Beach walked. W. Mees singled, scoring Hoelscher, W. Beach stopping at third. At this point Everett Peel relieved Sumrall in the box and struck out M. Beach. In the ninth the Firemen went out in one, two, three order thus ending the game.

QUICKER, BETTER RELIEF *from use of* Black-Draught

"I have taken Black-Draught, off and on when needed, for twenty-five years, for it is easy to take," writes Mr. George T. Wharton, of Petersburg, Va. FIREMEN DEFEAT ROSEBUD

Before the largest crowd of fans for the season the Cameron Firemen defeated the Rosebud Roses July 4th but it required 12 innings to determine the issue. The Firemen have the pernicious habit of losing their game after taking the lead in scores. This was true of the Rosebud game. In the eighth inning the Roses put over two scores on one hit and two errors to knot the score for the second time. In the first inning Harris was out short to first. Potter tripled to right field and scoredon Storey's fly to right. Franklin went out short to first. For the Firemen Williams was out pitcher to first. Young flew out to center. Archie Peel got a two bagger and scored on McDonald's two bagger. The Firemen scored two runs in the sixth when Young got a hit and scored on Arhie Peel's three bagger Peel then scored on McDonald's fly to center. The Roses came back in the eighth to tie the score. The game progressed in a tie to the twelfth. Everett Peel relieved Zoch in the beginning of the ninth. Cotton Franklin, first up in the twelfth singled, took third on McNair's two bagger and scored on an infield out. Brod and E. Meier were easy outs. Glenn singled and went to second on Deer's sacrifice which was fumbled with Deer first on first. Keith sacrificed advancing Glenn to third and Deer to second. Both scored on Everett Peel's single to center.

MISS CORINNE BODDEN BECOMES BRIDE OF REV. O. C. ACREY IN TAYLOR WEDDING

Mr. and Mrs. C. H. Bodden gave their youngest daughter, Corinne, in marriage to the Rev. O. C. Acrey of Cameron in a beautiful ceremony characterized by simplicity Wednesday evening at eight o'clock at the First Presbyterian church. The single ring ceremony was impressively used by Dr. George Summey of the Theological Seminary of Austin, and at the present time is supply pastor of the Broadway Presbyterian church of New York City, assisted by the Rev. Nelson R. Hawkins, pastor of the Taylor Presbyterian church, as host minister.

Mrs. E. J. Douglas at the organ for the wedding, played a group of old love songs before the ceremony and accompanied Mrs. William Ennen, who sang, "I Love You Truly," preceding the ceremony. During the ceremony, J. W. Armstrong with the violin and Mrs. Douglas at the organ, played softly, "Ah, Sweet Mystery of Life."

As the soft strains of Lohengrin's march sounded, the bridal party entered. The ushers, Charles Bodden, brother of the bride, and Ed Acrey, brother of the groom, entered first, followed by E. C. Cole and Mike Coleman, both of Cameron, who took their places on the platform in front of the improvised altar banked with green ferns through which showed the bouquets of pink roses, arranged in tall floor baskets tied with soft bows and streamers of pink maline. The bridesmaids, Misses Estelle Sadler and Marie Shirley followed, walking singly down the aisle, and taking their places beside the ushers. The bridesmaids were gowned in net dresses fashioned in the princess lines with bouffant skirts of ruffles, trimmed with contrasting sashes. Miss Sadler's frock was of green net with green picture hat and pink satin slippers and pink lace mits, while Miss Shirley's frock was of yellow net with yellow picture hat and yellow satin slippers and yellow lace mits. Miss Mabel Bodden, only sister of the bride, attended as maid of honor and wore a frock of shell pink net with shell pink picture hat and pink satin slippers and pink lace mits. Her hat was trimmed with blue as was her frock. Each of the brides maids carried arm bouquets of pink rosebuds tied with maline to match their frocks, while the maid of honor carried an arm bouquet of pink carnations, tied with blue as a contrast. Immediately preceeding the bride came little Miss Don Marie Avriett, daughter of Mr. and Mrs. Giles Avriett of Cameron, dressed in a snow white frock of net, sprinkling rose petals along the bride's pathway. The bride entered on the arm of her father who gave her in marriage. She chose a model of all over ivory lace, with a foundation of and combined with ivory satin fitted at the hips and with a bouffant skirt. Her cap and veil were caught at the neck with orange blossoms and fastened at the sides with small pearls which were worn on her grandmother's wedding dress. She carried a lace handkerchief and her bouquet was of white roses and lilies of the valley, with a white shower and sprinkled with baby breath fern. She also wore "something old, something borrowed and something blue."

The bridegroom with his best man, Stanley Swift of Cameron, met the bride at the chancel steps and thence to the altar where the ceremony was performed.

Mrs. Bodden, mother of the bride, was charmingly gowned in a frock of flowered chiffon while Mrs. Acrey, mother of the groom wore an ensemble of white crepe. Both wore shoulder corsages of pink gladiolas, as tokens of love from the bride and groom.

Immediately following the ceremony a reception was held at the home of the bride with Miss Grace Hyde presiding at the bride's book and Misses Mary Louise Woodson of Austin and Helen Douglas presiding at the punch bowl.

The bridal couple left immediately after the reception for a trip to New York and the east by boat and will drive back to Texas later in the summer stopping at interesting points along the way. The bride's going away costume was of blue with white accessories.

Mrs. Acrey has been reared in Taylor and is one of Taylor's beloved home girls. She is a graduate of the Taylor high school, and of Texas Presbyterian College at Milford. Prior to her marriage she taught in the Milford school and for the past three years has been a member of the faculty of the Taylor public schools.

The groom was reared in Waxahachie, where he received his education graduating from Waxahachie high school. He is also a graduate of the Theological Seminary of Austin and was a student of the University of Texas for three years. He is now one of the popular pastors of Cameron, being the president of the Cameron Lions Club, president of the Milam County Presbyterian Association, and pastor of the Presbyterian church of Cameron, where he and his bride will make their home.—Taylor Press.

Rev. Mr. Acrey came to the Cameron pastorate in June, 1930 from the Theological Seminary in Austin, and has lived at the manse since arriving here. He has endeared himself to his congregation and a large circle of friends in Cameron, and the people are delighted to welome Mrs. Acrey into their midst. The ladies of the Presbyterian church feel their social, and all activities, will be strengthened in many ways by the added charm and talent of Mrs. Acrey. Rev. and Mrs. Acrey are expected to arrive here before the fourth Sunday in this month.

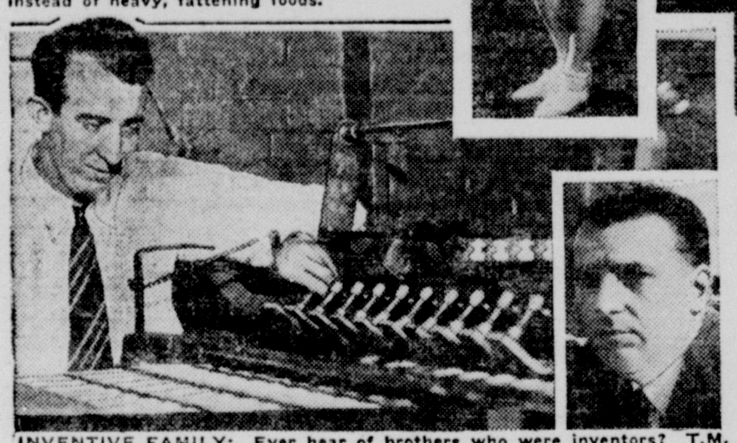
TITLE BACK TO U. S.! The world's heavyweight championship returned to America when Jack Sharkey (right) won the decision over Max Schmeling, Madison Square Garden bowl.

RARE FORM: Pretty Jean Arthur, Paramount featured player, displays her curves—among the best in Hollywood. Like many other famous actresses she says "stay slender with salads" . . . eats two a day, with lots of mayonnaise, instead of heavy, fattening foods.

SAY GOOD-BYES: Jean Harlow, platinum blonde star, bids adieu to singleblessedness, weds Paul Bern . . . Sen. Borah, Idaho, (right) bolts ranks of Hoover supporters over prohibition plank.



INVENTIVE FAMILY: Ever hear of brothers who were inventors? T.M. and J.D. Rector are. Still young, they are credited with many important inventions. Tom (inset) is responsible for more than 30 inventions running the gamut from gas masks to the new vita-fresh process that keeps coffee roaster fresh. Mechanical gadgets are Jack's specialty. Here he is with one of his machines which in 10 minutes produces enough laundry starch tablets to keep a family supplied for 60 years.

ARMSTRONG QUITS RACE FOR GOVERNOR

I withdraw as a candidate for the Democratic nomination for the office of Governor of Texas for the following reasons:

1. I am not a Democrat if the Chicago platform defines and represents modern democracy. In the face of the worst depression in history, brought upon the country by the contraction of currency by the Federal Reserve authorities, it proposes no relief. It stands for a sound dollar and not more dollars; for free trade; against the restoration of silver; against the Patman bill; against the 18th Amendment; and for the rule of this country by Wall Street and the Federal Reserve System. It represents the democracy of Morgan & Co., Kuhn Lob & Co., and John J. Raskob, and not my kind of democracy. Everything it is for, I am against, and everything I am for, it is against.

2. I entered this race primarily to establish a State Currency system that would free us from the control of the arbitrary and infamous Federal Reserve System. I have spoken in about 150 counties, making an average of more than four speeches a day during the past six weeks, but I have only been able to touch the State in high spots and to speak to a small per cent of the people. They are deeply interested in my platform and I need more time to present it to them.

3. There is need for the organization of an independent democratic party that will truly represent the interests of the masses of the people. Somebody must start the movement at some time. Fully realizing the difficulties, and my own limitations, I have concluded to undertake the task, I therefore withdraw from the contest for the democratic nomination for Governor and announce that I will run as an independent against the nominee.

GEO. W. ARMSTRONG.
